THANK YOU ♥ FOR CARING

DESIGN, COMFORT & PERFORMANCE

Colour-coding apparel for different departments can be helpful markers for patients.

You may have doctors in a certain colour, with nurses and attendees in contrasting colours. Reception and Admin staff who are not in a medical role should be in professional, branded corporate attire.

Biz Care has a wide range of colours and styles to ensure your team looks professional and credible.

EASY STRETCH TOPS

A wide range of shirts and tunics that are designed specifically for the medical industry. Available in a range of fabrics, styles and colours, ranging from size 4 to 30.
